INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

December 1-15, 2007

SOUTHERN CALIFORNIA ASSOCIATION OF GOVERNMENTS

INTERGOVERNMENTAL REVIEW CLEARINGHOUSE REPORT

This Intergovernmental Review Clearinghouse Report summarizes the federal grant applications, environmental documents and other information received by SCAG's Intergovernmental Review (IGR) Section during the period **December 01 through December 15, 2007**. The Clearinghouse Report consists of two sections, Federal Grant Listing and Environmental Documentation Listing.

The Federal Grant Listing is provided to inform your organization of all grant applications for federal assistance from our region in accordance with Executive Order 12372. The listing includes state sponsored plans and project types such as Housing and Community Development, Urban Mass Transit, and Human Services. The Environmental Documentation Listing describes regionally significant and non-regionally significant facilities (e.g., transportation, wastewater treatment), residential, commercial and industrial projects which have been voluntarily submitted for review by local governments. Environmental documents received include Notices of Preparation, Environmental Impact Reports, Environmental Impact Statements, Negative Declarations and Mitigated Negative Declarations.

A SCAG Project Identification Number organizes project descriptions for both the Federal Grant and Environmental Documentation listings.

IGR CONTACT

To include the interest of your jurisdiction or comment on proposed comprehensive planning, areawide coordination or environmental impacts please contact the IGR Section prior to **December 31, 2007**. Please send one (1) copy of all environmental documentation. Also, please provide the name and telephone number of the contact person on your transmittal. We may be reached at:

Mailing Address:	Southern California Association of Governments Intergovernmental Review Section 818 West Seventh Street, 12 th Floor Los Angeles, CA 90017-3435
Telephone:	(213) 236-1800
Fax:	(213) 236-1963

Questions regarding the Clearinghouse Report should be directed to Laverne Jones, (213) 236-1857.

Project Title: City of Vernon General Plan
Reg. Significance: Yes
Lead Agency: City of Vernon
City/County/Subregion: Vernon/Los Angeles/Gateway Cities
Contact: Kevin Wilson - (323) 583-8811
Comment Due Date: NA

Project Description: A copy of the City of Vernon completed Final Environmental Impact Report (EIR) for the Vernon General Plan and Zoning Ordinance.

SCAG ID. No.: I20070729
Document Type: NEG
Project Title: General Plan Amendment and Change of Zone for the 2351 S. Fourth Street Property
Reg. Significance: No
Lead Agency: City of El Centro
City/County/Subregion: El Centro/Imperial/Imperial Valley
Contact: Norma Villicana - (760) 337-4549
Comment Due Date: 1/5/2008

Project Description: The project consists of General Plan Amendment (GPA No. 07-02) from Tourist Commercial to General Commercial and Change of Zone (COZ NO. 07-02) from CT, tourist commercial to CG, general commercial. The applicant is proposing a General Plan Amendment to change this designation to General Commercial because that designation would allow for a wider variety of such as retail and service-oriented businesses. The CG, general commercial zoning would enable the development of general business, light service and retail uses, large-scale planned shopping districts, and where appropriate, hotel and public assembly uses.

SCAG ID. No.: I20070730
Document Type: EIR
Project Title: Barranca/Millikan General Plan Amendment, Zone Change, Conditional Use Permits, Tentative Tract Map, Development Agreements, and Park Plan

Project Title: Scholl Canyon Landfill Expansion
Reg. Significance: No
Lead Agency: City of Glendale
City/County/Subregion: Glendale/Los Angeles/Arroyo Verdugo
Contact: Ziad El Jack - (562) 908-4288
Comment Due Date: 1/14/2008

Project Description: Two proposed variations for the Scholl Canyon Landfill Expansion Project will include a vertical expansion only (Variation 1) and a vertical horizontal expansion (Variation 2). Variation 1 will provide approximately 11 million cubic yards (five million tons) of additional capacity and will extend the life of the landfill by 12 years (based on current use of the site). Variation 2 will provide approximately 14 million cubic yards (six million tons) of additional capacity and will extend the life of the landfill by 15 years. The facility location is 3001 Scholl Canyon Road, City of Glendale, Los Angeles County.

Project Title: English Channel Improvement Project
Reg. Significance: No
Lead Agency: U.S. Environmental Protection Agency Region IX
City/County/Subregion: Chino Hills/San Bernardino/San Bernardino
Contact: Eugene Bromley - (415) 947-3549
Comment Due Date: 12/24/2007

Project Description: The English Channel Improvement Project consists of the construction of a new box culvert on the English channel at Peyton Drive, south of Eucalyptus Avenue in the City of Chino Hills. The new box culvert would replace an existing undersized concrete pipe culvert at this location. In addition, the project entails improvements to the english channel upstream and downstream of the new culvert to increase the capacity of the Channel. The purpose of the project is to alleviate flooding which currently occurs on Peyton Avenue south of Grand Avenue during heavy rains. In a related project, the City is also proposing to widen Peyton Drive between Grand

Avenue and the Chino Hills parkway and extend Eucalyptus avenue westward from Peyton Drive to the existing terminus of Eucalyptus Avenue.

SCAG ID. No.: **I20070733**
Document Type: **NOP**
Project Title: **SRG Chino South Industrial Park**
Reg. Significance: **No**

City/County/Subregion: **Chino/San Bernardino/San Bernardino**
Contact: **Andrea Gilbert - (909) 590-5570**
Comment Due Date: **1/3/2008**

Project Description: The proposed project is generally located on 127.7 acres at the northwest corner of Pine Avenue and Euclid Avenue (Route 83) in the southerly portion of the City of Chino, California.

The project is a request to construct 4 concrete tilt-up industrial buildings on approximately 127 acres of land located within the Agricultural-Transitional zoning district at the northwest corner of Pine and Euclid Avenues. The project includes the following applications:

- A General Plan Amendment and Zone Change to change the existing land use and zoning designation from Agricultural-Transitional to General Industrial.
- A Site Approval to construct four concrete tilt-up industrial buildings ranging in size from 102,960 square feet to 788,621 square feet totaling, 1,454,390 square feet.
- A Tentative Parcel Map to subdivide the existing site into 6 lots ranging in size from 7.71 acres to 35.99 acres, plus proposed Fern Avenue (2.90 acres).
- Potential Development Agreement.

Project Title: Harbor Boulevard Mixed Use Project
Reg. Significance: No
Lead Agency: City of Anaheim
City/County/Subregion: Anaheim/Orange/Orange County
Contact: David See - (714) 765-5139
Comment Due Date: 1/3/2008

Project Description: The project site is comprised of 4.8-acres adjacent to and east of Harbor Boulevard and south of Wilken Way in the Anaheim Resort Specific Plan area in the City of Anaheim, Orange County.

The proposed project would involve development of the western 1.5-acre portion of the project site with a hotel and retail development. The retail component would include 14,741 square feet of retail development including restaurants and eateries. A three-story, 105-room would be developed above a portion of the retail development. The hotel and retail components would share frontage along Harbor Boulevard.

The east 3.3-acre portion of the project site would be developed with a 191-unit condominium complex. The complex would be divided into two main buildings with areas ranging from three- to five-stories in height. The complex would include a mix of one-, two-, and three-bedroom units as well as nine live/work units along the western perimeter of the complex and adjacent to the hotel and retail project component.

Project Title: Line Q Storm Drain Channel Improvements (CIP D 008)
Reg. Significance: No
Lead Agency: City of Perris
City/County/Subregion: Perris/Riverside/Western Riverside
Contact: Brad Eckhardt - (951) 943-5003
Comment Due Date: 12/31/2007

Project Description: The project is a public safety project that will improve Line Q, a Riverside County Flood Control and Water Conservation District (RDFCD) Master Plan facility that will collect drainage from a 500-acre developed watershed. The project is proposed as a rectangular concrete open channel using reinforced concrete box culvert crossings at Evans Road, El Nido Road, and at the Perris Valley Storm Channel. A rip-rap apron will dissipate the flows outletting into the PVSC. The Line Q storm channel will extend from 3,300 linear feet with a general width of 20 feet and a depth of 8 feet within the RCFCD 52-foot right-of-way (300 feet of the existing channel is concrete, so 3,055 feet of existing earthen channel is impacted by the project.)

Project Title: Puente Hills Intermodal Facility
Reg. Significance: No
Lead Agency: City of Industry
City/County/Subregion: Industry/Los Angeles/San Gabriel Valley
Contact: Michael Kissell - (626) 333-2211
Comment Due Date: 2/4/2008

Project Description: The Puente Hills Intermodal Facility (PHIMF) would be developed on a 17.2-acre property located at 2500 and 2520 Pellissier Place in the City of Industry. The site is approximately one-third mile from the intersection of the San Gabriel river (I-605) and Pomona (SR-60) freeways, generally between Pellissier Place, Workman Mill Road, and Peck Road.

The District is proposing to construct and operate the PHIMF for the exclusive purpose of loading and unloading rail-ready shipping containers containing nonhazardous municipal solid waste (MSW) between rail cars and trucks. Under a phased development plan, the proposed facility would eventually have the capacity to handle up to two trains per day, or approximately 8,000 tons per day (tpd) of MSW, including up to 4,000 tpd from the nearby Puente Hills Materials Recovery Facility (PHMRF), with the remainder coming from other materials recovery facilities.

Project Description: The proposed project will achieve the original vision for the building by adding ten stories of office use above the lobby and office area of the existing building. The design of the project will reflect the intent of the original drawings for the Art Deco office tower, which were approved by the City of Los Angeles in 1929. The proposed 200,000 square foot office tower will rise above the existing 45,219 square foot building.

The project location is 6225-6249 Hollywood Boulevard, Los Angeles, CA 90028.

Comment Due Date: 2/8/2008

Project Description: The purpose of the proposed project is to provide an updated and consolidated jet fuel pipeline system to improve efficiency and ensure a long-term, reliable source of product to support airport operations at LAX and other airports throughout the Western United States. The project is proposed to occur in two phases that are anticipated to occur approximately three years apart. Construction of Phase 1 of the project is anticipated to begin in September 2008 and end in February 2009, while Phase 2 is expected to begin as early as April 2012.

The pipeline route crosses six jurisdictions, including unincorporated Los Angeles County and the Cities of Carson, Compton, Gardena, Hawthorne, and Los Angeles. Permits would be required for the pipeline in each affected jurisdiction.

The pipeline would terminate at the LAX tank farm located within the western portion of the LAX facility itself. The total pipeline would be approximately 24 miles long; Phase 2 would comprise approximately 6.5 miles, while the remaining 17.5 miles of the route would be constructed during Phase 2.

Project Description: The proposed project involves the construction of three (3) four-story stacked housing structures (Maximum height 45 feet) in order to increase the maximum inmate bed capacity from 896 to 1368 beds. Each of the housing structures will house approximately 456 inmates; thereby increasing the rated capacity of the facility to 2,074 inmates. The facility is located on the northeast corner of Commerce Way and Beaver Road in the City of Adelanto.
